

FEATURED PROJECT

Project	Irving Seher Boys and Girls Club
Owner	Milwaukee Public Schools
General Contractor	Voss-Jorgensen Schuler Company
Contract Amount	\$1.2 Million
Lost Time Accidents	0

Summary

In November of 2004, the P.L. Freeman Company was selected as the prime HVAC contractor by Voss-Jorgensen-Schuler for the MPS- Irving Seher Boys and Girls Club Project. This 1.2 Million dollar project consisted of piping, sheet metal, controls, insulation and balancing. The P.L. Freeman Company self performed the installation and equipment setting of the natural gas, chilled and hot water, refrigeration and radiant in-floor heating system throughout the 3-story building.
